# Service Expansion Program

- The Service Expansion Policy adopted in June 2008 and revised in April 2014, reaffirmed in November 2022 defines five approaches for service to jurisdictions within the urbanized area that are not currently served by CapMetro.
- The Policy provides a process for distributing federal transit funding in the region (Section 5307 Funds) and implementing transit service.
- Jurisdictions within the urbanized area, but outside the CapMetro service area can participate.
- The program requires cities to first complete a Transit Development Plan (TDP) to identify transit service needs and assist in developing transit alternatives and financing.

# City of Round Rock ILA
